Coinsurance Drug Program Options

The following One-Tier Coinsurance drug program plan design was determined to be Creditable.

Coinsurance - One Tier
50% / \$125 max

The determinations in these exhibits were based on standard benefit designs only. Evaluating specific characteristics of a particular employer/retiree group may yield different results. This chart is not intended to provide either legal or tax advice. It does not represent an actuarial attestation for the purpose of applying for the CMS Retiree Drug Subsidy. Please consult with your legal counsel and/or your tax adviser to determine the effect of the statutes and regulations regarding Medicare Part D on you. Not all prescription drug programs are available to all customers. Not for Distribution to Medicare Beneficiaries.
