**Core Advocacy:** A Personal Health Advocate (PHA) assists members with clinical and insurance related issues, for improved health outcomes and a better healthcare experience.

**Employee Assistance Program (EAP):** Provides employees with effective professional counseling and work/life support. Telephonic and face-to-face visits available.

**Medical Bill Saver:** Bill negotiation on balance bill for non-covered services or out of network charges.

**MedChoice Support:** On-line tool that helps employees understand their medical options, allowing them to make wise decisions about tests, treatments or procedures that are right for them.

**Wellness Advocate:** Comprehensive, convenient program designed to help employees improve and maintain their health through unlimited personalized coaching to create a healthier bottom line.

**NurseLine:** Unlimited access to registered nurses for advice, referrals and self-care information.

To get started today, contact your Health Advocate Sales or Account Executive or **John Peppelman** at **610.397.6964** and [jpeppelman@healthadvocate.com](mailto:jpeppelman@healthadvocate.com).

**RULES AND REGULATIONS** Available for groups of 50 - 5,000 lives sold before January 31, 2014. Standard contracts and 3-year terms required. Prices are per employee per month and include standard marketing materials. No substitutions - these packages cannot be modified to receive preferred pricing. Above pricing does not include commissions. Promotions are subject to change at any time at Health Advocate's sole discretion. One time installation fee applies to all packages including wellness and is based on client size.
