Vision Care helps detect more serious medical conditions

Routine eye exams help keep you seeing clearly and can help detect more serious medical conditions like diabetes, hypertension, and heart disease. Both [Vision Care 100](#) and [Vision Care 180](#) offer adults age 19 and older comprehensive benefits including routine eye care, frames, and contact lenses.

You can save on out-of-pocket costs by choosing a provider from the Davis Vision network. With more than 40,000 ophthalmologists, optometrists, and regional and national retailers, including Visionworks¹ optical retail centers — located across the Philadelphia five-county area and surrounding states — getting eye care is easy and convenient.

With our Vision Care plans, you can take advantage of:

- Unlimited frame selection
- Fully covered designer frame brands
- One-year frame warranty
- Contact lens replacement through Davis Vision Contacts
- Value-added vision correction discounts
- Online account management through ibxpress.com

Dental health helps support overall health

Dental care can help provide insight into your overall health. Regular dental visits can help you maintain a great smile and avoid more expensive dental work.

Independence and United Concordia, an independent company, work together to offer high-quality, cost-effective dental plans.

With our [Adult Dental Preferred](#) and [Adult Dental Premier with Preventive Incentive[†]](#) plans, you get:

- Freedom to choose any dentist for care
- A national network of 62,000 contracted dentists and specialists for maximum savings
- Preventive care, including exams, X-rays, and cleanings covered at 100 percent^{††}
- Discounts may be available for non-covered services from participating network providers
