2017 FFM Certification Update

The Marketplace Learning Management System (MLMS) will close on Friday, July 21st at 12:01 p.m. for plan year 2017. Brokers will not have access to the MLMS again until early August when trainings are available to obtain certification for Open Enrollment 2018.

Certificates for 2017 will not be available while the MLMS is closed, so please consider taking these steps before that time:

- Confirm the information in your profile is current and accurate
- Print your Registration Completion Certificate(s) for Individual and/or SHOP Marketplace

Reminder: FFM certification is required to be paid commissions on all on-exchange individual enrollments in 2017. If you are not certified in 2017 and have on-exchange membership, you are ineligible for commissions.
