Top selling advantage plans for large group

AmeriHealth New Jersey merged Community Advantage with AmeriHealth Advantage effective November 1, 2016, for large group. In addition to the high, medium, and low AmeriHealth Advantage options, we are excited to now offering AmeriHealth Advantage economy, Tier 1 high option, and Tier 1 low option. The AmeriHealth Advantage Economy HSA and Tier 1 HSA plans are also now available for large groups. These large group advantage plans have been very popular in 2017 and it is another example of how we continue to provide our customers with affordable plan options!

Tier 1 Advantage

Our new Tier 1 Advantage plans give members an enhanced benefit level by allowing them to use Tier 1 facilities statewide, except in Hunterdon County. Members can also access our Local Value Network facilities statewide with Tier 2 benefits. Members in a Tier 1 Advantage plan will have access to 36 hospitals, thousands of physicians, and diverse health care services. Tier 1 Advantage plans are available to members and employer groups located statewide, except in Hunterdon County.

AmeriHealth Advantage

AmeriHealth Advantage plans allow members to save money by using AmeriHealth Advantage facilities and professional providers at the Tier 1 benefit level. The AmeriHealth Advantage service area includes Burlington, Camden, Gloucester, Atlantic, Cape May, Monmouth, and Ocean Counties. Members and employer groups must be located within the seven-county service area to purchase an AmeriHealth Advantage plan. Members can also utilize our partner hospitals including Cooper University Hospital, Cape Regional Medical Center, Deborah Heart and Lung Center, Shore Medical Center, Jersey Shore University Medical Center, Ocean Medical Center, Riverview Medical Center, Southern Ocean Medical Center, and Bayshore Community Hospital. With AmeriHealth Advantage, members can also access the Local Value Network statewide with Tier 2 benefits.

Created to be mindful of budgets and provide more choice, the AmeriHealth Advantage plans for large group aim to achieve these key goals:

- Provide members in the applicable purchasing area with an even more cost-effective product than our Local Value Network.
- Provide members with lower cost-share when using Tier 1 providers, while still allowing members to utilize a larger statewide Tier 2 Local Value Network at a higher cost-share.
- Encourage collaboration and care coordination across the delivery systems among the hospitals, specialists, and primary care physicians.
