

AmeriHealth New Jersey Mobile Application

AHNJ On the Go

Download the free AHNJ On the Go app for your iPhone or Android to help you make the most of your AmeriHealth New Jersey health plan. AHNJ On the Go gives you easy access to your health care coverage 24/7, wherever you are. Members can easily keep track of their doctor's information, track their health spending account balances, view claims, view health history, access temporary ID information if you lose your card, and much more.

App Features:

Medicine Cabinet

- Fed from claims data, members can view and keep track of all their medications and identify them with pictures.

Primary Care Provider Info

- You can easily keep track of their PCP's name, phone number and designated sites

My Health Assistant

- Members can set health goals, and then build an activity plan to help get and stay healthy. Trackers help monitor progress and manage the plan on the go.

Benefit Plan Info

- You can quickly access basic benefits information

Finders

- Locate hospitals, doctors, patient-centered medical homes, urgent care centers, and pharmacies.

Doctor's Visit Assistant

- Members can achieve a more productive office visit by preparing for the visit beforehand — display, email, or fax an ID card to the provider, view open referrals, or record notes for the conversation with a physician, and capture documents or pictures.

Shop for Insurance

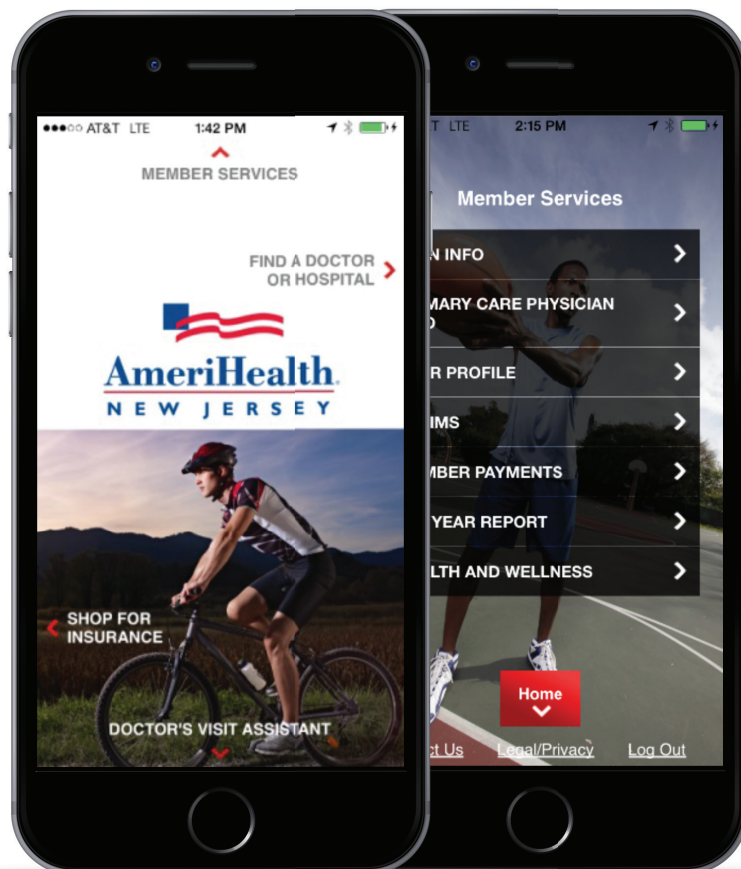

- Make purchasing new insurance policies as easy as possible by learning about AmeriHealth New Jersey's plans and what is new with the Health Care Law.

Medication Reminders

- Set daily or weekly reminders to take different medications.

Food & Drug Interactions

- Check current medications for potentially dangerous combinations with foods or other medications to avoid complications
