Dedicated contacts to provide you with a concierge level of service

As an Aetna Small Group Premier Producer, you could be enjoying rewards that outperform all others, from exclusive financial incentives to specialized services, including:

- Fast-track underwriting on new business
- Priority processing for installation and enrollment
- A dedicated renewal specialist and a broker liaison to provide priority assistance
- Customized reporting tools to help you manage production and maximize earnings

We heard you!

New services exclusively for Premier Producers

If you were a Premier Producer, we recognize your status as an elite agency, and want to continue to provide you the service you need to grow and manage your business. That's why your feedback is so important. The Premier Producer community has expressed a desire for additional assistance with both new business installation and receivables. We heard you.

Effective June 15th, each Aetna Small Group Premier Producer agency will be assigned a dedicated contact in New Business Installation and a dedicated contact in Accounts Receivable. These individuals will be your single point of contact for implementation and billing issues. They are assigned by market. Whenever you need assistance or simply have a question, you may contact these individuals by phone or by email. Enjoy this concierge level of service – you've earned it!
