

# CIGNA DENTAL AND MEDICAL

Bundling Cigna dental and medical plans can improve overall health in ways a dental plan alone can't. Here's how:

- Our medical health advocates engage customers in oral health improvement discussions and determine gaps in care, referring them to appropriate dental care and the Cigna Dental Oral Health Integration Program®
- The Cigna Dental Oral Health Integration Program reimburses eligible individuals 100% of their out-of-pocket costs for specific dental procedures when the individual has certain medical conditions\*
- Fully insured clients who bundle Cigna dental and medical can save up to 1% on their premium. Ask your sales rep how this works!

**Be sure to include Cigna in your RFP distributions list. Cigna Dental helps clients realize better savings, better health and a better experience.**
