

CBC Producer Bulletin 595- New Small Group Termination Policy

Capital BlueCross released Producer Bulletin 595- New Small Group Termination Policy. **Beginning 10/1/2012, Small Group contracts will have a new termination language. This new language will state that Small Groups have to submit a written termination request to CBC at least 10 business days prior to the requested termination date.**

If the termination request is NOT received 10 days prior to the requested termination date, the group's coverage will be extended for an additional month. This is an enhancement over the current termination language that requires 30 days prior written notice.

A new mailbox has been established to receive all Small Group termination requests. It is *Group Term Requests, CBC*, cbcgrptermreq@capbluecross.com.
