

INNOVATIVE HEALTH PLAN FUNDING SOLUTIONS

Share in the success of health
and wellness initiatives

A funding solution can do more than just provide health coverage. It can also provide organizations protection against unforeseen costs, provide opportunities for cash-back or increased cash flow, and enable them to share in the success of health and wellness initiatives.

By understanding the benefits and nuances of the various funding options, organizations can get the maximum value for their health plan. So every dollar works harder and goes further.

Join employers, brokers and consultants in a live web meeting featuring an overview of various funding options. You'll learn about:

- the components that make up every health care funding arrangement,
- participating insured funding solutions – and how companies can get cash back or improve their cash flow combined with full insurance protection
- an employer who reaped the benefits of participating funding arrangements and improved employee health
