**RE: East End Health Alliance's Participation with the Oxford network**

Dear <<Benefits Administrator First Name>> << Benefits Administrator Last Name>>,

We recently sent you and your employees a letter about a change in network status for East End Health Alliance (EEHA), which includes Eastern Long Island Hospital, Greenport, NY; Peconic Bay Medical Center, Riverhead, NY; and Southampton Hospital, Southampton, NY. We are writing to you and your employees today to provide you with an update.

We are pleased to inform you that we have reached a new agreement with EEHA and, as such, the hospitals will continue to participate with the Oxford network. You may continue using EEHA hospitals on an in-network basis.

In these difficult economic times, it is important that we all work together to keep health care both affordable and accessible. We are proud of our long-standing relationship with EEHA, and thank you for your patience and support throughout these negotiations.

If your employees have any questions about this good news, please have them call Customer Service at the telephone number on their Oxford member identification (ID) card, or at 1-800-444-6222.

Wishing you the best of health.

Sincerely,  
Oxford
