We want you to have access to the latest [health care reform](#) news from Washington, D.C., and states across the country. This weekly e-mail links you to updates on health reform legislation that could significantly impact you.

This week's health care reform news:

Groups set to lobby against the ACA's Cadillac tax

A coalition of large employers, business groups and unions is organizing to lobby against the Affordable Care Act's (ACA) "Cadillac" tax.

Other highlights include:

- House of Representatives passed a bill extending an in-home care pilot for chronically ill Medicare beneficiaries.
- Covered **California** has announced \$10 million in new grants for increasing enrollment in Northern California.
- **New Hampshire's** Insurance Department is moving towards updating network adequacy rules for 2017.
