

## Price Transparency and Quality Provider Tool

**HealthAdvocate** is pleased to announce an enhancement to our Advocacy program, a price transparency tool that employees can use to better understand costs for services with quality providers. The Price Transparency and Quality Provider tool is free with **HealthAdvocate**.

The **HealthAdvocate** service helps members with insurance claims, find qualified doctors, schedule appointments, answer questions about test results, Medicare, Rx and other clinical or benefit questions. Plus, Health Advocate provides members an easy to read price transparency and quality report so members can understand the cost of services.

We will be conducting complimentary 45-minute webinars about our Price Transparency and Quality Provider tool, hosted by **Dr. Abbie Leibowitz**, co-founder and Chief Medical Officer of **HealthAdvocate**.

**To register, click on one of the times below (all Eastern Standard Time):**

**Session One:** [Wednesday, November 21st at 11am](#)

**Session Two:** [Tuesday, November 27th at 2pm](#)

**Session Three:** [Thursday, December 6th at 1pm](#)

**Session Four:** [Tuesday, December 18th at 2pm](#)

We look forward to you joining us and learning how this solution can assist with lowering healthcare costs and improving health outcomes.

If you have any questions or difficulty registering, please your Brown & Brown account manager. Remember to ask them about preferred pricing for these services.

Thank you,
