

HealthAdvocate™ Spectrum of Solutions

Starting with Core Advocacy, you can add on one or more of our fully integrated solutions, for an additional cost, to help attract new clients and retain your current customers. Our innovative solutions help ease the burden on HR, reduce risks and costs, and promote sound healthcare decision-making.

Building on Core Advocacy for Maximum Savings

Health Advocate's Core Advocacy service is centered around a team of Personal Health Advocates (PHAs), typically registered nurses, supported by medical directors and benefits and claims specialists. Our PHAs help employees resolve a range of healthcare and insurance-related issues, quickly and correctly.

The Core Advocacy service can help in the following ways:

- Finds qualified doctors, hospitals, dentists
- Facilitates second opinions with leading specialists
- Provides cost estimates for medical savings
- Resolves insurance claims issues and corrects billing errors
- Covers the employee, their spouse, dependent children, parents and parents-in-law
- Improves health outcomes
- Increases productivity

...and more
