

Measure the Effectiveness of Your Clients' Absence Management Efforts

Over 80% of employers report they are making efforts to manage employee absences. If you clients are among them, then the Guardian Absence Management ScorecardSM can help them better understand the effectiveness of what they are doing today, so they can be more successful in the future.* [Try the Scorecard](#) and share with your clients to help drive conversation around solutions that can help them reduce the impact of absenteeism and improve productivity for their company.

It's Always a Good Time to Educate On The Value of Workplace Benefits

With open enrollment around the corner, now is a great time to stand out by sharing Guardian's employee education video series with your clients. Designed to make an often confusing subject easier to understand and relate to, the seven short videos educate on the value of the workplace benefits and provide guidance on how to choose coverage options to protect themselves, their families, and take charge of their financial future. [Share via email, post on intranet sites and play at meetings.](#)
