

Highmark Training Information- 2013 Medicare Training and Certification Deadline

Highmark's annual Medicare training and certification for 2013 is now open.

[Please Click Here to Access the Training](#)

Important to Know:

- All producers are required to complete the training and certification course and pass the exams with a score of 85%
- Producers contracted to sell Highmark's Medicare Advantage and Part D products must successfully certify prior to marketing or selling the products for 2013.
- Producers must re-certify each year to receive renewal commissions.
- There is **no cost** associated with this training.
- Highmark will accept the AHIP training certification as fulfillment of the Medicare Basics and Marketing and Enrollment modules. The completion of the AHIP training certification is **not** mandatory.
- Continuing Education (CE) credits will be offered. Producers must pay the fee and submit a completed proctor form in order for this course to count as CE credits.
- **Any questions regarding the training should be directed to Gorman Health Group technical support at 1-888-439-3337.**

As always, please feel free to contact Brown & Brown account manager with any questions.
