

# Select Option® Prescription Drug Plan (PDP)

## Medicare PDP for employer groups

Select Option PDP is a Medicare Part D prescription drug plan from Independence Blue Cross (IBX). It is available to those who are eligible for Medicare benefits offered by their employer or Health and Welfare Fund.

Select Option PDP offers several levels of coverage to fit various needs. There are several plan offerings with specific deductibles, coverage gap, mail-order options, and formulary types, such as:

- Limited and unlimited coverage for generic/brand prescriptions in the coverage gap
- Open and closed drug formulary options for generic, brand name, and specialty drugs
- Prescription coverage at more than 65,000 national chain, independent, long-term care, and home-infusion pharmacies
- Convenient mail-order service choices that provide beneficiaries with a 90-day supply for only one or two copayments

## Why choose Blue?

IBX offers an extensive portfolio of Medicare products for small group customers, including Medicare Advantage HMO and PPO plans, prescription drug plans, and Medicare Supplement options.

Show your employees that you understand their unique health care needs as they become eligible for Medicare while protecting your bottom line and premium costs at the same time.

- **Choice** — comprehensive group Medicare plans
- **Affordability** — at a low cost
- **Quality** — plans that meet unique needs
- **Stability** — low impact to your bottom line
- **Sustainability** — for both you and your employees
