# Independence Edge

## EMPLOYER BUSINESS

### Spending account migration update

As communicated in early June, Acclaris, the spending account platform used by Independence, will assume HSA custodial responsibilities in the fall of 2017. However, while originally planned for September, the migration is now scheduled for mid–November. To clarify migration activities, an FAQ and rollout timeline, as well as sample member and customer letters, will be provided via Independence Edge by the end of August.
