

top 5 reasons

TO CHOOSE UNITED CONCORDIA DENTAL

- 1. Commitment to overall wellness by first improving oral health.**

Through our [research](#)^{*}, we understand the important connection between the health of the mouth and the health of the body. That's why everything we do, from the plans we design to the tools and resources we develop, is focused on oral health.
- 2. Affordable, easy-to-understand products keep mouths and budgets healthy.**

Our [plans](#) combine affordability with flexibility. Whether your clients have two or 20,000 employees, we can help you build a plan that gives them the right coverage with the right network, and at the right price.
- 3. Accessible care easily available through our vast dentist network.**

With one of the nation's largest dentist [networks](#), it's easy to find the right dentist when you need one. We have nearly 103,000 dentists in more than 283,000 locations. On average, that's at least two dentists within 10 miles of our members!
- 4. Combination of online and personal service to make benefits administration easy.**

Our [Account Management Portal](#) combines online and personal service in one place, so your clients can make enrollment and billing adjustments anytime. That means less time administering benefits and more time for other business imperatives.
- 5. Benefits and oral health tools and resources anywhere, anytime.**

No matter where they are or what the time of day, members can stay informed about their benefits and educate themselves with online resources found in our [Dental Health Center](#).
