Special offer on Vital Savings by Aetna® to existing Aetna medical members!

Next week, we will be emailing our existing Aetna medical members who are registered on our secure member website, with a special offer to join **Vital Savings by Aetna**®! Vital Savings is a dental discount program that usually pays for itself after one or two visits. We're offering to waive the \$15 set-up fee and reduce the annual fee for the dental discount program. Vital Savings can be a great alternative for those members who currently do not have dental insurance.

The email distribution will go directly to members in the 2-100 segment whose employers currently do not have an Aetna Dental® plan with us.

We will not be including members whose employers have an Aetna dental plan or who reside in the following states: OK, NV, UT, MT and VT.

Please contact your Brown & Brown account manager with any questions.

Vital Savings by Aetna® is not available in Vermont or Montana.

The Vital Savings by Aetna® program (the "Program") is not insurance. This Program does not meet the Minimum Creditable Coverage requirements in Massachusetts. The Program provides members with access to discounted fees pursuant to schedules negotiated by Aetna Life Insurance Company for the Vital Savings by Aetna discount program. The range of discounts provided under the Program will vary depending on the type of provider and type of service received. The Program does not make payments directly to the participating providers participating in the Program. Each member is obligated to pay for all services or products but will receive a discount from the providers who have contracted with the Discount Medical Plan Organization to participate in the Program. Aetna may receive a percentage of the fee you pay to the discount vendor.
