We are improving eBusiness

We listen to you and our customers, and we're always finding ways to improve our tools and make your job easier. Below is a list of enhancements coming in September to eBusiness. Continue to let us know how we can help you help your clients.

Enhancements Being Made:

- Improvements to the eBusiness home page so you can easily access your customers.
 - Increased search criteria: search by group, control or account number.
 - Advanced search options will make it easier to access your groups on eBusiness.
 - Ability to view your entire book of business from your home page.
- Simplified plan sponsor registration process on the secure eBusiness employer portal.
- Summary of Benefits of Coverage (SBC) documents will be available in eEnrollment and accessible by brokers, plan sponsors and members.

eBusiness can simplify your day

You can make day-to-day benefit plan administration easier by using eBusiness. Simply access eBusiness by first logging in to **Producer World**.
