Combine the leading-edge technology of our online eBusiness tools with the dedicated people on our top-ranked customer service teams and your clients will see how easy doing business can be. They'll get simpler, more efficient benefits management.

[eBilling](#) gives them safe, secure, convenient online access to invoices and changes, 24/7. They can view their bills online, print or export a bill, grant access to multiple users and more. [Learn more here.](#)

[eEnrollment](#) improves efficiency by replacing time-consuming, paper-based enrollment with secure and comprehensive electronic benefits administration. It's accurate, up to date and money-saving. [Learn more here.](#)*

Our customer service receives top scores.

Aetna's customer service team receives extensive training to ensure that *your clients* receive the quality service they deserve. We're there to support their employees, too, providing the information they need and resolving claims quickly and correctly. In fact, last fall's UBS Benefit Consultant Survey gave us top scores for our account management teams, claims processing and customer service reputation.¹

Contact your Aetna representative today to learn more about how Aetna's smarter tools, resources and support can help make your clients' jobs easier.
