We want you to have access to the latest [health care reform](#) news from Washington, D.C., and states across the country. This weekly e-mail links you to updates on health reform legislation that could significantly impact you.

This week's health care reform news:

Majority of Americans support exchange subsidies

A majority of Americans think the U.S. Supreme Court made the right call when it decided to allow consumer subsidies to continue. A Kaiser Family Foundation poll found that 62 percent of Americans support the Court decision.

Other highlights include:

- **Connecticut's** General Assembly passes bill rolling back certain tax increases passed in the state budget on June 3.
- **Georgia** is seeking input on draft regulations that would eliminate “most-favored nation” clauses and “upper limit trigger” clauses from provider contracts.
- **New Jersey's** Gov. Chris Christie announces key members of his cabinet are leaving the administration.
